

- **Purpose:** to advance the state-of-the-art of drilling wells by providing a forum for the sharing of knowledge through technical presentations on subjects/topics in line with the theme of each quarterly meeting. The DEA(e) also promotes the presentation of proposals for drilling-related JIPs for participation by members & non-members alike and advises academic organisations & other drilling oriented groups on the needs & interests of the members. The DEA(e) is a non-profit organisation.
- **Representation:** Each member organisation nominates one attendee for each meeting. Additional participants are placed on a waitlist which is opened at least two weeks before the meeting. Presenters from member companies get automatic registration, in addition to the nominated attendee.
- **Meeting:** A total of 4 DEA(e) meetings are held in the year – all in Europe.
- **Leadership:** The DEA(e) is project managed by OTM Consulting. (www.otmconsulting.com) based in the UK and guided by a Steering Committee – representing the full membership.
- **Website:** The DEA(e) has a website with all meeting and presentation details. Members have a dedicated member-only area of the website (www.dea-europe.com) to access these deliverables.
- **Current Members** (16 of the 42 member companies are **Operators**): 2H Offshore, AGR, **Aker BP**, **Aramco Overseas**, BHGE, Blade Energy, **BP**, **Chevron**, **ConocoPhillips**, Enhanced Drilling, **Equinor**, GEOLOG, Halliburton, Huisman, Impact Fluid Solutions, Kongsberg, **LUKOIL Overseas AS**, **Lundin Norway**, Maersk Drilling, Merlin ERD, NOV, CNOOC, **OMV**, **Premier Oil**, **Repsol E&P**, Schlumberger, Scientific Drilling, **Shell**, **Spirit North Sea Energy**, Tomax, **Total**, **Tullow Oil**, Vallourec, Weatherford, Wild Well, **Wintershall DEA**.
- The DEA(e) also has **Academic Members**: NORCE, RGU, Sintef, University of Aberdeen, University of Leoben, NTNU
- **Contracts:** January 2019 – December 2019.
- **Fees:** Membership fee is GB £3,500 per year
- **Member responsibilities:** All DEA(e) members are expected to actively contribute to DEA(e) meetings either by knowledge sharing via presentations and active discussions, hosting and/or having a company expert serve as a technical chairman.
